## The Bailey Family

### Who Are We?

Our family has been able to minister all over the USA in the areas of Education and Evangelism. We all have a passion for Christ and a love to share Him with others. As we have accepted the call to come to Northwest Arkansas, we have come with the same love and passion. We are thrilled to have the opportunity to get to know you and look forward to meeting each of individually. We look forward to making some wonderful memories at OAS/OAA!

Our family - The Bailey 5: Christopher (Chris), Tara, Qristara (pronounced kris-star-a) @Southern Adventist University, Faith, 10<sup>th</sup> Grade OAA, and Jai'el 3<sup>rd</sup> Grade OAS!

## On a Mission to Serve

### A Letter of Introduction from Mrs. Bailey:

*Please consider ways you can be apart of the OAS learning experience. We appreciate your love and support for every child attending our school.*

As an Adventist educator and administrator, I am committed to an educational truth not rooted in Adventism alone, but in God's Word. Therefore, I am committed to serving children and families through our prestigious Adventist Educational System. This commitment fosters a balanced development of the whole person— spiritual, physical, intellectual, and social-emotional—a process that spans a lifetime!

What a joy it has been as I complete my second week full week of service at OAS. I have developed a better understanding of who we are as an institution of learning as well as a community of stakeholders.

Since my initial teaching experience in Oakland, CA as a brand-new middle school teacher, I have devoted my gifts and passion for educating young minds to students of all grade levels Pre-K—8<sup>th</sup>. It brings me joy to inspire and support both students and teachers to live out the purpose God has set for their lives. I understand the importance of making educational decisions that will positively influence every student.

I recognize that the work ahead will be formidable as I partner with our incredible teaching staff, wonderful families, supportive constituency and community to enhance the culture and climate of OAS.

We are committed to providing a safe environment conducive to teaching, learning, and innovation. Every student that crosses the threshold of our beloved school deserves a high-quality educational experience rooted in Christian values.

What a blessing it is to be entrusted with this responsibility to humbly lead our students towards eternity.

-Mrs. Tara Bailey, Principal
