We had a lot of fun with Color Day. Our Bible story this week is "A Room and a Boy". You can find this story in 2 Kings 4:8-37.

We are reviewing the letters L, F, E, T, I, H, U, and the numbers 0, 1, 2, 3, 4, 5, 6, 7, and the words cat, mat, sat, rat, fat, and hat.

There's no school Monday due to parent-teacher conferences.

Cooler weather is here, so dress accordingly.

We are going to be talking about camping next week. If your child has a sleeping bag that they could bring next week, that would be great.

We had a wonderful week! The weather was perfect for our Color Day and we all had fun participating in the relay and team games. Congratulations to the orange team on their win.

In science, we have begun talking about the human body. We are going to start by studying the digestive system.

Treasure Verse:

"I am the First and the Last. I am the one and only God."
Isaiah 44:6

We will repeat this verse as we did not give it the time it needed this past week.

Next week is a big week. I look forward to seeing everyone at the Parent Teacher Conferences on Monday.

We will also have a half day on Thursday as we prepare for our Fall Festival that evening.

Bible treasure verse:

After this manner therefore pray ye: Our Father which art in heaven, hallowed be thy name. Thy kingdom come, Thy will be done in earth, as it is in heaven. Give us this day our daily bread. And forgive us our debts, as we forgive our debtors. And lead us not into temptation, but deliver us from evil: For thine is the kingdom, and the power, and the glory, forever. Amen!

Matthew 6:9-13

Please do not hesitate to reach out if you have any questions or concerns. Have a great weekend! Blessings!

7th & 8th Grades

Mr. Demetrius Bell

Another blessed week at Faith Mountain has come to an end, and we are excited to share the wonderful activities and accomplishments of our 7th and 8th-grade class. This week has been a testament to the theme of growing by faith in Christ at our beloved OAS.

Kahoot Bible Challenge

We had the privilege of hosting a Kahoot Bible challenge with a special guest, Mr. Jason Summers from the Gentry SDA Church. It was a faith-strengthening experience that not only deepened our understanding of God's love but also reinforced our ongoing study of Genesis 9. Our students, divided into small groups, took an active role in creating their own Bible-based questions and answers, which were later incorporated into the challenge by Mr. Summers. This collaborative effort allowed our students to actively engage with the material and each other, strengthening their faith in a fun and interactive way.

Color Day and Team Building

One of the highlights of the week was Color Day, which brought our entire school together in an exciting display of teamwork and camaraderie. It was a delightful change of pace as we enjoyed school-wide team relay race events and various team-building activities. What made this day particularly special was that it took place on Monday, as a pleasant surprise instead of the traditional Friday event. Students from all grade levels, including our 7th and 8th graders, worked together in mixed teams, which encouraged our students to coalesce and act as cohesive team players. The day was filled with laughter, cooperation, and

shared experiences that will be cherished for years to come.

Memory Verse for Next Week

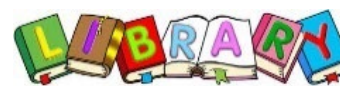

As we look ahead, our memory verse for next week comes from Lamentations 3:23:

"They are new every morning: great is thy faithfulness."

This verse reminds us of the unfailing faithfulness of our Heavenly Father. With each new day, His mercies are renewed, and His love and grace are ever-present. It is a beautiful reminder for all of us to rely on God's faithfulness as we grow in our faith journey at OAS. We are truly grateful for the moments of growth, faith, and togetherness that we've experienced this week. Our students continue to flourish both academically and spiritually, guided by the principles of Christ. We thank the parents, teachers, and staff who have made these experiences possible.

May you all have a blessed weekend, and remember, "Great is God's faithfulness!"
